LIVING IN BRITAIN

Thank you for agreeing to take part in the Living in Britain survey. This questionnaire will be given to several hundred young people between the ages of 11 and 16 to find out about their health, their families, their hopes and their concerns. Please take a few seconds to adjust the volume wheel on the tape player so that my voice is loud enough.

Your answers will be kept confidential and your responses will in no way be identified with you. So that you can answer all of the questions honestly, without worrying about anyone seeing your answers, the questions will be read on this tape.

There will be a short pause after I read each question so that you can mark your answer in the answer booklet. To indicate your answer, please tick the box that applies or write in your answer. Before you tick the box, please look at the question number on the answer sheet to make sure that it matches the question number that you heard on the tape. If you have any questions or need help, please stop the tape and ask the interviewer. If you need more time to answer any question, then press the 'stop' button and press 'play' when you are ready to start again. Please find these buttons now.

WAVE 11 MAINSTAGE
Young Person Questionnaire

Script

FOR INTERVIEWER USE ONLY

Thank you for agreeing to take part in the Living in Britain survey. This questionnaire will be given to several hundred young people between the ages of 11 and 16 to find out about their health, their families, their hopes and their concerns. Please take a few seconds to adjust the volume wheel on the tape player so that my voice is loud enough.

Your answers will be kept confidential and your responses will in no way be identified with you. So that you can answer all of the questions honestly, without worrying about anyone seeing your answers, the questions will be read on this tape.

There will be a short pause after I read each question so that you can mark your answer in the answer booklet. To indicate your answer, please tick the box that applies or write in your answer. Before you tick the box, please look at the question number on the answer sheet to make sure that it matches the question number that you heard on the tape. If you have any questions or need help, please stop the tape and ask the interviewer. If you need more time to answer any question, then press the 'stop' button and press 'play' when you are ready to start again. Please find these buttons now.

Before we begin, please write in your exact date of birth and tick whether you are male or female. PAUSE TO GIVE TIME FOR CHILD TO WRITE
